

We haven't forgotten you!

If you would like to correspond with an NA member about working the steps of Narcotics Anonymous, we want to hear from you. Send a request to:

Steps Behind Walls

PO Box 29303

Santa Fe, NM 87592

We will send you an agreement form. When we get that from you, we will give your name and address to one of our members who has experience to share about working the steps of NA. Then you and that recovering addict can correspond about staying clean. Many addicts have found recovery while incarcerated. You can too.

You are not alone.
